

Desert Cove Homeowners Association

Welcome Director Report Annual General Meeting – September 29th, 2026

Good evening, I am Sharron McDougall. I have been your Welcome Director for a year.

Since becoming the Welcome Director I have completed **23** visits to our new homeowners. All have become DCHA members. It is a real pleasure to welcome our new neighbours and friends to our special community. In October, I have 3 more welcome visits so far, but I see a few more homes have sold, so it likely will be five.

This year we agreed to provide a small welcome gift to new residents. Each new homeowner has received two beautiful slate coasters engraved with “welcome” and the Desert Cove Logo. Our new homeowners have been delighted with this token which represents who we are as a community.

The Board completed a semi annual inventory this year. This included giving the Recreation Centre a good cleaning. I worked with Art, our kitchen coordinator, and together we gave the kitchen a thorough cleaning from top to bottom.

I am looking forward to working with the new and old board members for the upcoming year. I am confident we will have another year of getting things done. It is always sad when we say goodbye to friends who move on to their next chapters, but it is a real joy to welcome and become friends with our new members.

Please join me in welcoming our new residents to make them feel part of our family and that they have made the right decision by choosing to live in our community.

Thank you!

**Sharron McDougall
