

Desert Cove Homeowners Association

Vice President's Report

General Meeting April 25th, 2023

Good evening my fellow residents of Desert Cove, my name is Edward Schultz but you can call me Jack. I am your Vice President of the Desert Cove Homeowners Association.

As Vice President I strive to help the President and various Directors support Desert Cove into being a HAPPY and fulfilling place to live.

With the increase of homes over the past 2 to 3 years there is a need to be aware of and/or a reminder of certain emergencies that may arise such as a Fire Evaluation plan. I will elaborate later on the key points of:

1. Preparation
2. If Evacuated

My 3 plus years in Desert Cove has been gratifying and uplifting, allowing me to interact with my fellow board members and Desert Covians.

If any one of you are interested in pursuing an interesting and fulfilling opportunity here in Desert Cove, please contact me.

Respectfully submitted,

Jack Schultz
DCHA Vice President
