Welcome and Membership Director Report

General Meeting September 19th, 2023

Hello my name is Shaunie and I am your Welcome and Membership Director.

I have the honour of visiting and welcoming new residents and providing useful facts about our wonderful community as well as encouraging them to join DCHA.

This information and more, is also included in a folder which is left with them. If you would like to see a sample folder, please let me know.

This last year I was given **54** new residents to contact, of which I was able arrange a welcome visit with **43**. All 43 households signed up as new DCHA members.

For 7 weeks I was unable to do my one-on-one visits and when I saw I was behind by 15 visits I panicked. After I calmed down, I decided to hold a large group visit at the hall on Sept 10th. Nine households attended.

There is no way that I could have pulled this off without the help from our DCHA president who looked after collecting fees and writing out receipts. A BIG thank you goes to Michelle Olfert for making delicious goodies and coffee. Michelle also decorated the tables. I would also like to thank Brian, Marilyn and Michelle for setting up and taking down the tables and chairs. This shows the true Covian Spirit, help is always there!

It is so wonderful to see so many new residents join in in the many activities and events that occur in our great community.

I know I say this every time but your friendly smiling faces and waves make new Covians feel welcome so welcome. Keep up the great work.

I am looking forward to the upcoming year working with this amazing hardworking Desert Cove Board of Directors that I am so fortunate to be a part of. Thank you

Respectfully submitted,

Shaunie Wood
