

Desert Cove Homeowners Association

Vice President's Report

General Meeting September 19, 2023

Good evening my fellow residents of Desert Cove, my name is Edward Schultz but you can call me Jack. I am your Vice President of the Desert Cove Homeowners Association.

As Vice President I strive to help the President and various Directors support Desert Cove into being a HAPPY and fulfilling place to live.

- This year I have supported my fellow directors in their roles on various tasks.
- I enjoyed meeting some new faces in the Cove when I hand delivered DCHA packages to their door.
- And most recently have been working to provide whatever support Jim requires, including looking for recruits to fill in on our refundable bottle program.

My board experience this past year has been gratifying and uplifting allowing me to interact with my fellow board members and Desert Covians.

If any one of you are interested in pursuing an interesting and fulfilling opportunity here in Desert Cove, feel free to contact myself or any board member.

Respectfully submitted,

Jack Schultz
DCHA Vice President
