

Desert Cove Homeowners Association

Vice President's Report

Annual General Meeting September 27th, 2022

Good evening residents of Desert Cove, my name is Jack Schultz and I am your Vice President of the Desert Cove Homeowners Association.

The other board members will be explaining their various roles and how they impact the residents of the Cove.

My role as Vice President is to assist the President and assume her duties when she is absent. If and when that happens, I will just reschedule the meeting. LOL

My primary functions as Vice President are to review DCHA bylaws, purpose and goals and recommend changes if required.

Also, as Vice President as strongly suggested by our secretary, I should be canvassing for potential board members, so be careful with eye contact with me if you're not interested.

Also, of note the O'Keefe Ranch has employed several volunteers from Desert Cove whether it is acting within the various plays or mowing the lawns.

My board experience this past year has been gratifying and uplifting allowing me to interact with my board colleagues and fellow Desert Covians.

And again, if involvement with Desert Cove is of interest, please talk with me. Involvement can help keep our community flourishing and together. Its also an awesome place to hang your hat.

Respectfully submitted,

Jack Schultz
DCHA Vice President
