

Recreation Hall Director Report Sep 24 2020

1. Recycling program for Vernon Jubilee Hospital Fund fiscal year end \$3400 dollars. Thanks to all people participating and monetary donations from Pauline and Robert Huth and Shirley we will have approximately 4000 dollars from the time the new board assumed the program.

Please keep it up.

2. Kitchen Management is taken over by Elaine Horsford and Henrietta Hoeksma. Welcome, we hope the near future will allow some functions to resume.

3. September 19 the Food Safe program had 17 people renewing and or acquiring their certificates which will be good for 5 years.

4. I will be contacting Mike Doherty with the OKIB Fire Department to do a fire extinguisher training session.

5. DC Management instituted a complete lockdown of the hall in March and opened on a limited time schedule (7 till 3) Monday to Friday in May. Volunteers have stepped up to administer certain activities with Health Department protocols. Many thanks to them. The board hopes to be able to increase the hours once management and circumstances allow.
