

Desert Cove Homeowners Association

Recreation Center Director's Report Annual General Meeting September 17th, 2022

The Recreation Centre Director is responsible for ensuring the assets of the DCHA are maintained and replaced as required.

It has been a very busy year for the DCHA as always, however as I joined the board near the end of the term of the previous Recreation Director, I personally have very little to report.

There have been a number of small repairs to the DCHA assets in the hall, a few build projects to add to the asset list such as:

- Construction of 2 indoor flag poles
- A new DCHA Board picture gallery
- A key vault for the Treasurer
- Refurbishing of older, unused crib boards (with the help of Steve Fulbrook).
 - There are still 3 refurbished crib boards available for sale or a door/raffle prize.

It has been a pleasure working with the Board as they are all aiming to make Desert Cove the best place to live.

Thank you to them and to the new residents for stepping up to fill the few vacancies.

Respectfully submitted,

Laurie French

DCHA Recreation Centre Director
