

Desert Cove Homeowners Association

Secretary
Cheri Gibbons
September 2025
1st year of 2 year term

Hello, my name is Cheri Gibbons and I am proud to accept the secretarial position within our Homeowners Association. I was born and raised in Fort Macleod Alberta. I also spent some time in Grande Prairie through my high school years. In 1986 I married David and we moved to Delta where we raised two beautiful daughters. I was a proud Executive Member of the Sunod Skating Club, President of the Parents Advisory Committee for Richardsons Elementary, and spent hours volunteering for Surdel Girls Soccer and North Delta Fastpitch Assoc.

I spent 15 years working for several departments within Telus. After leaving Telus I worked for the Delta School District and Vancouver School Board. David and I were fortunate enough to relocate to Prince George for the last 6 years where I was employed by the Prince George School District. I bring years of administrative experience, organizational skills, and a love for keeping things running smoothly. After retiring in 2024, we relocated to Desert Cove and have been thoroughly enjoying everything our welcoming community has to offer.

I'm a proud grandmother to four wonderful grandchildren and enjoy staying active through walking, gardening, and swimming. Taking on the role of secretary for our Homeowners Association feels like a natural fit, and I'm excited to give back to a place I now call home.

I pride myself on being both friendly and efficient, and I look forward to supporting our HOA with clear communication, organized records, and a positive attitude.
