Dear members of the Desert Cove Homeowners Association, *Mandy, Ceile, Jim's Recycling Elves*

With your gift this holiday season you've eased someone's mind who is waiting for test results; and helped our doctors assess and guide treatment faster.

Adding an additional next-generation X-ray machine to our hospital will increase access to vital X-rays for family, friends and neighbours throughout the North Okanagan.

Because of you, more screening can be done to assess for conditions such as arthritis and lung infections, and to support surgeons providing orthopedic treatments.

On behalf of the entire team at Vernon Jubilee Hospital and the VJH Foundation, we extend our most heartfelt thank you for your generosity and for bringing better, quicker healthcare to our community.

Warm regards,

*Kate McBrearty*

*Such a pleasure to see you all this week. Have a wonderful holiday season. With gratitude
