

Desert Cove Homeowners Association

Secretary Report

Annual General Meeting September 19th, 2023

Good evening. I have completed one term of office as the Secretary for this Association. I would very much like to do a second term as I just love this team and the job.

It allows me to create a lot of reports – agendas, minutes, posters, updates for events, making changes to bylaws and other official documents and finally filing them with the BC Society on an annual basis. I enjoy using my creative juices for some of the above and decoding what people are really trying to say.

I manage the Desert Cove Association email account so if you send an email to the desertcovehoa@gmail.com I receive it and will do my best to give you the correct information or forward it on to another Association Director or Desert Cove Management for their attention.

My greatest pleasure this year was having the Management allow me to put nails in the walls to display the art work of our talented residents. I asked and received names of artist and each month we make a trade of the old for the new. It has been very interesting to see the different styles and subject matter of each artist. I have names up to January so if there are any artists out there that would like to share their work, please come up after the meeting and introduce yourself.

Over my two-year term I have tried to encourage a few search challenges with a Rabbit Hunt at Easter and this last Christmas, a Christmas decoration Find it search. Participation was not great but those that took part had fun and Denise, Mary and I had fun organizing.

I thank you for the opportunity of serving you and this community.

Respectfully,

Linda Hill
DCHA Secretary
