

Desert Cove Homeowners Association

Director at Large Report Annual General meeting, September 17th, 2024

Good evening and thank you for coming. My name is Mary Mate. I have enjoyed carrying out my role as First Director at Large the past two years.

My Duties were to support other Directors as well carry out projects assigned to me.

1. My initial project was to follow-up with a number of residents regarding their membership fees. (Many pleasant conversations transpired)
2. I took on the responsibility to take orders and purchase metal name tags for residents. (Just completed a small order)
3. Was tasked to order and pick up Christmas Deserts for the last two Christmas. (Fun job)
4. With help from neighbors, provided temporary portable speed signs. (located in storage shed behind rec centre)
5. In the spirit of being 'ECO Friendly', with help from Linda, I secured Recycling Bins and signs for the Recreation Center.
6. As part of inventory, Linda and I cleaned the freezer, kitchen shelves and purchased equipment required in the kitchen.
7. Last fall Linda and I researched and obtained information on an Evacuation Siren.
8. In January I took over managing the Refundable Program. Tracy helped me revise the refundable posters with dos and do nots, and made lovely poster for the refundable bins

The Refundable Team has been kept very busy, thanks to the generosity of donations.

Many thanks to the hard working team!

Bill Versluis, Chris Meisner, Bob Cox, Mike Hovde, Gordon French, Doug MacGregor, Laurie French and John/Glenna Johnson.

Bob Bouma will be joining the team along with me staying on board to help.

9. I have also taken over managing the library.

Respectfully Submitted,

Mary Mate
DCHA Director at Large
