

Desert Cove Homeowners Association

Director at Large Report General meeting, April 25th, 2023

Good evening. My Name is Mary Mate. Six months ago I became a Director at Large.

My duties are to support other Directors as well as carry out duties assigned to me.

- My initial duty was to inquire into about 80 or so resident memberships, which resulted in many pleasant phone conversations.
- I was tasked with the ordering and picking up the desserts for our Christmas parties.
- With the help from neighbours, we provided temporary speed signs which were placed around the cove and moved to different locations every week or so.
- I also took on the responsibility to collect orders and purchase metal name tags for any residents who wanted them.

It was a privilege to work alongside the hardworking, professional council members for Desert Cove Residents.

I hope to meet you while out walking about with my dog, Bella. And Bella also thanks you for the great tasting treats!

Respectfully Submitted,

Mary Mate
DCHA Director at Large
