## **Vice President Report**

### **General Meeting May 3<sup>rd</sup>, 2022**

Good evening residents of Desert Cove, my name is Jack Schultz and I am your Vice President of the Desert Cove Homeowners Association.

The other board members will be explaining their various roles and how they impact the residents of the Cove.

My role as VP is to assist the President and/or individual board members such as the treasurer when he was absent for a period of time during the winter months.

I was very involved in the selling of tickets and hosting of 2 musicals and 1 "Christmas Carols from the Past" performance with local entertainers presented by the O'Keefe Ranch. The after party and ugly sweater contest was great fun too.

All three events were sellouts with positive reviews. This is an example of successful partnering with O'Keefe Ranch.

With the increase in homes there was a need to add more name tag slots to our present slot holder. Lori French was called upon to build additional name tag slots. Thanks to Lori for a very professional job.

My board experience these past few months has been gratifying and uplifting allowing me to interact with my board colleagues and fellow Desert Covians.

Regards

**Jack Schultz**
