

Desert Cove Homeowners Association

Director at Large Report Annual General meeting, September 19th, 2023

Good evening and welcome to all fellow Covians. My name is Mary Mate.

I have enjoyed carrying out duties of Director at Large for this past year and hope to give continuing support to our board members and fellow residents, in the upcoming year.

- My initial duty was to inquire into about 80 or so resident memberships, which resulted in many pleasant phone conversations.
- I was tasked with the ordering and picking up the desserts for our Christmas parties.
- With the help from neighbours, we provided temporary speed signs which were placed around the cove and moved to different locations every week or so.
- I also took on the responsibility to collect orders and purchase metal name tags for any residents who wanted them.

- I Will continue moving speed signs about the Cove where needed and requested.
- Will Continue to take orders for name tags.
- I am presently looking after the library while Shirley is on leave.

Thanks again, for coming.

Respectfully Submitted,

Mary Mate
