

DESERT COVE LIBRARY

The library at the Recreation Centre is maintained by volunteer DCHA members and operates on the honour system. All items in the library (books, videos, jigsaw puzzles) can be borrowed at any time but, please return them when you are done. Please return all items to the cart or the counter (do not restock the shelves). The librarian also requests that Snowbirds who leave for the winter not take items from the library with them. Donations to the library are always welcome. For more information on the library, please contact the resident librarian, Shirley Latter - 250-542-8986.
